

Keep A Poem In Your Pocket

MC

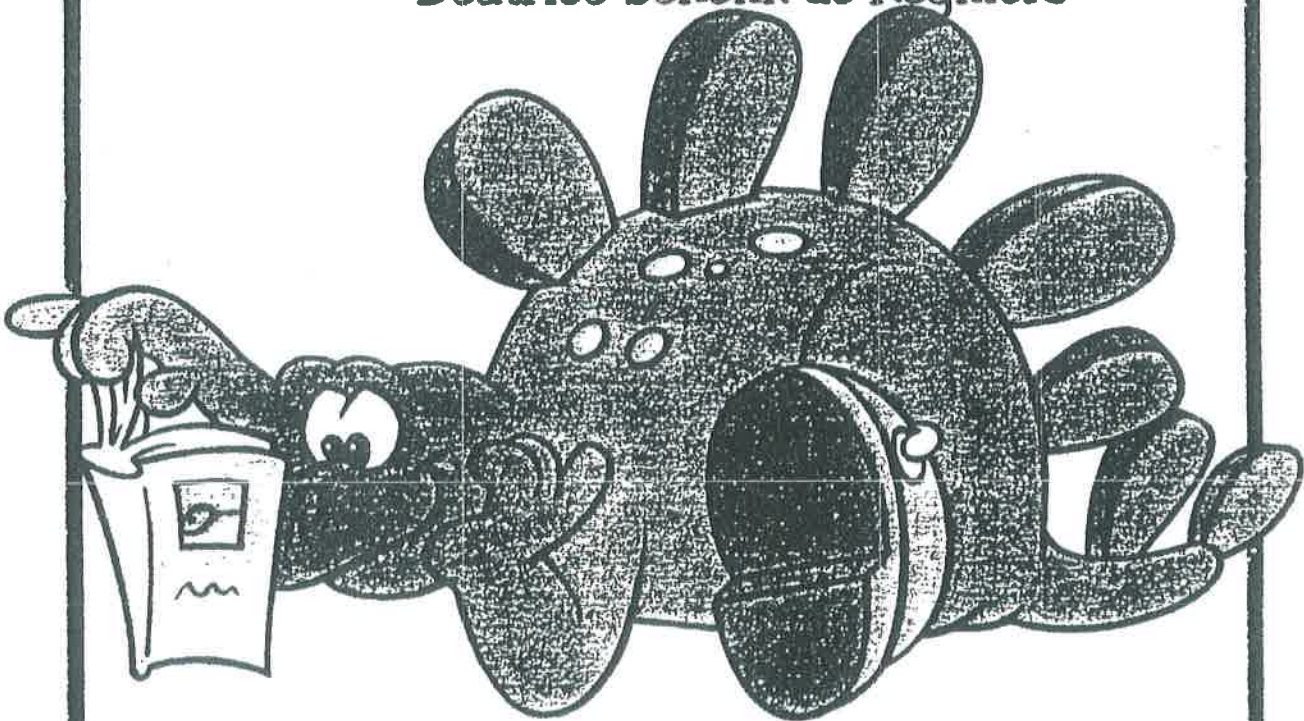

Keep a poem in your pocket

And a picture in your head

And you'll never feel lonely

At night when you're in bed.

# IT'S TIME FOR SCHOOL

Close the bar-b-q.

Close the sun.

Close the home-run game.

We've won!

Close the picnic.

Close the pool.

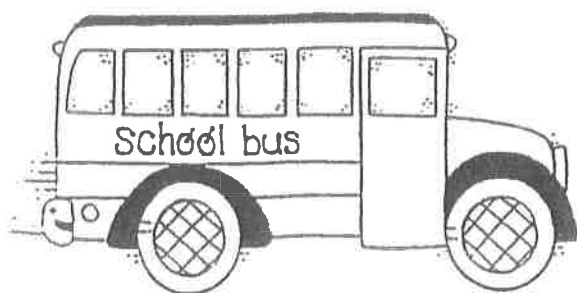

Open your mind.

It's time for school!

# September

## September

**September means it's time again  
for going off to school.**

**The days are getting shorter  
and the nights are turning cool.**

# AUTUMN

The green leaves are turning

To yellow, red, and brown.

And when the wind comes

whistling by,

They'll

all

come

sailing

down!

# BUSY SQUIRREL FRIEND

I wanted to make friends  
with a squirrel today,  
but she was far too busy  
storing acorns away.

Fall is here,  
and cold winter's ahead.

Soon Squirrel will crawl under cover  
and eat acorns in bed.

# Rounding Rhyme

Mark the place.

Look to the right.

Four or less are out of sight!

Five and up,

Will buy one more.

Before they too, are out the door!

In those empty

Right hand spaces

Zeros keep the proper places!
