

# DECEMBER

All the months go past..  
Each is like a guest;  
December is the last,  
December is the best.  
Each has lovely things,  
Each one is a friend.  
But December brings  
Christmas at the end!

# SNOWFLAKES

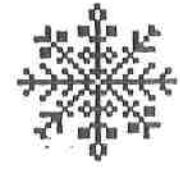

I watch the snowflakes gently fall,

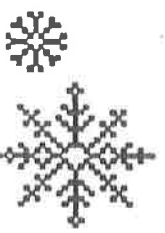

And blanket all I see.

Turn every house a candy house,

And even blanket me.

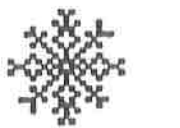

I watch trees turn to ice-cream cones,

And parked cars disappear.

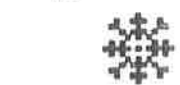

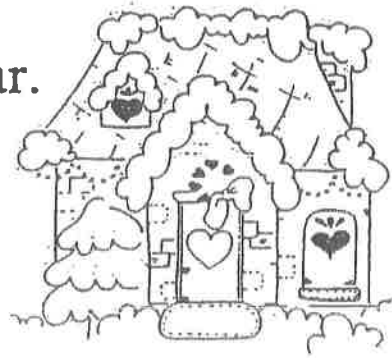

I watch the snowflakes gently fall,

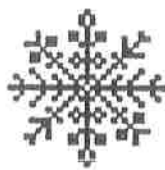

And not a sound do hear.

SANTA'S COMING

Santa's on the rooftop.  
Santa's in his sled.  
He's coming down the chimney.  
I'd better jump in bed.  
He's filled all the stockings,  
And checked out the tree.  
He's putting out the presents  
For all the family.
